**Application for Middle School Music Lessons Scholarship**

The Sacramento Valley Symphonic Band Association is proud to contribute to the continuation of music education in our community by providing three months of private lessons from an approved instructor to a deserving middle school student.

SVSBA will pay an approved music teacher up to \$350 for private lessons after they are given, upon receipt of invoices endorsed by a parent/guardian of the student. The intent is that this amount will fund about three months of weekly lessons. Private music teachers must be approved by the SVSBA Board before payments will be made. Payments will be made directly to the private teachers.

To qualify, students must currently be in 7<sup>th</sup> or 8<sup>th</sup> grade, and play an instrument typically found in a wind ensemble or concert band setting. SVSBA's intent with this requirement is to promote further study and participation in school and community wind ensembles and concert bands.

Please complete and return the attached application to Bianca Patterson, chair of the scholarship committee for the SVSBA, via email (subject line: MSMLS) or mail to:

Sacramento Valley Symphonic Band Association  
PO Box 60537  
Sacramento CA 95860-0537

I am also able to answer any questions you may have regarding the program or the application.

**Application Deadline: June 30<sup>th</sup>, 2022**
