### **Prospective members**

The conductor of Golden Gate Park Band (San Francisco) made a preliminary inquiry about SVSBA membership, a month ago.

Nevada County Concert Band is interested and was provided information recently.

### **Member bands info**

As part of the Membership function, I maintain up to date a spreadsheet showing Designated Contact, Conductor, Officers and music librarian for SVSBA's member bands. It's not for distribution (for the sake of maintaining consistency), but specific details are available to Board members and staff as needed.
